HEALTH CARE PLAN INFORMATION

Dear Parents and Guardians:

Welcome to the 2023-2024 school year at Thomas MacLaren School! Every year it is helpful for us to have an update to our records if your student has asthma, allergies, celiac disease, diabetes, migraines, seizures or any other health care issue. This allows us to better care for your student throughout the school year and helps decrease the number of interruptions to their learning due to illness or complications from their health concerns.

All of the forms included in these health care plans (HCPs) must be filled out completely by either you or a health care provider with prescriptive authority. Please note that both the parent/guardian and the health care provider need to sign the documents. Unfortunately, we are not able to administer your student's emergency medication without a signed HCP and a completed Authorization for the Administration of Medication by School Personnel

If your student will need to carry a rescue inhaler, Epi-Pen®, or diabetes supplies with them this year, then please fill out the Contract to Carry form and return to the front desk prior to sending your student to school with their medication.

For your reference, all of the links for these forms and packets can be found on the school website: www.maclarenschool.org under the Parent tab in the Health Information section.

Thank you for letting us partner with you to make sure that your student has a healthy and safe school year. If you have any questions or concerns, please don't hesitate to contact me.

Kind Regards,

COLORADO ASTHMA CARE PLAN AND MEDICATION ORDER FOR SCHOOL AND CHILD CARE SETTINGS*

PARENT/GUARDIAN COMPLETE, SIGN AND DATE:

Child Name: _____ Birthdate: _____
 School: _____ Grade: _____
 Parent/Guardian Name: _____ Phone: _____

I approve this care plan and give permission for school personnel to share this information, follow this plan, administer medication and care for my child/youth, and if necessary, contact our health care provider. I assume responsibility for providing the school/ program prescribed, non-expired medication and supplies (such as a spacer), and to comply with board policies, if applicable. I am aware **911 may be called if a quick relief inhaler is not at school** and my child/youth is experiencing symptoms. I understand that this health plan and any Nurse delegation related to this plan are for use during **normal operational school hours**. After hours coaches/ staff will call parent(s) and/or 911 for all medical concerns/emergencies.
